

The Building Our Future Visioning Circles are great ways to meet people and share with each other what we value at WUU. It's an opportunity to express our thoughts and contribute our ideas. Should we make changes to our campus and facilities? What will help us to best fulfill our purpose? Some ideas gleaned from recent circles:

- Use Fahs house as alternative housing for a homeless family...bring a family from destitution to self-sufficiency.
- A "signature" outdoor space that has some defining characteristic which makes it special
- An outdoor area where we could facilitate congregational picnics and celebrations... May Day, Navigator campouts, etc.
- A coffee-house concept--open every day and evening...comfy chairs, coffee, inviting to WUUs and our neighbors to come, sit, chat, enjoy being together or to sit quietly reading...
- Share fellowship over food
- Offer an inviting outdoor space where families (both WUUs and our community neighbors) can gather with their children--where children can play and families can socialize.

"Nothing worth doing is completed in our lifetime" ...Reinhold Niebuhr

We have now heard from over 150 WUUs through the visioning circles. Have we heard from you? When many people voice similar ideas, those comments can help lead to consensus.

There is just one month remaining for participation in a Visioning Circle. Sign up on Sunday for a

September circle or contact the WUU Office at office@wuu.org or 220-6830. Your voice is important.
