PATIO	+	After the service, like the open space with the patio, gathering space
PATIO	+	Like our patio
PATIO	+	Like the expanded patio space for receptions out there.
PATIO	+	Like the new area that has been added beside the narthex so people can get outside when the weather is nice. Also like that the roof is translucent so it's light though protected from the rain.
PATIO	+	Like the new patio arrangement.
PATIO	+	Like the patio too—great addition, be able to step outside.
PATIO	+	Love the sound of the rain on the canopy.
PATIO	+	New canopy to side for place to hang out because narthex is too crowded
PATIO	+	Side gathering place
PATIO	+	The canopied patio space
PATIO	COFFEE	Love the added covered patio not helping with the coffee time
PATIO	ENCLOSE	The patio becoming an enclosed area with large windows looking out on the woods
PATIO	NARTHEX	Like ingenuity of putting up the patio roof for getting us outside. It's impossible to have a conversation in the narthex—wonderful place out there.
NARTHEX	+	Like the narthex.
NARTHEX	CROWDED	Narthex is claustrophobic.
NARTHEX	CROWDED	Fellowship area is insufficient
NARTHEX	CROWDED	Likes an area to get together but it is too crowded.
NARTHEX	CROWDED	Likes meet and greet area but it is crowded
NARTHEX	DISPLAYS	Temporary displays are good.

NARTHEX	NOISE	Acoustics in the Narthex are unsatisfactory. Perhaps hang flags or other sound absorbing materials.
NARTHEX	NOT TOO BIG	Like to see preserved the space that facilitates the interaction after the service. I know I can find certain people at the coffee pot and other people are at their stations—not want it to be so big that we can't facilitate those connections.
NARTHEX	SPACE	Like Narthex but it's too small. It enhances fellowship to have such a gathering space.
NARTHEX	USES	Concept of the narthex, so we can greet each other, welcome the visitors, would like it to be larger
NARTHEX		Narthex—like the idea of meeting and greeting, but it is awkward because where it is at;
KITCHEN	-	Kitchen is woefully small especially for newcomers and huge when coffee runs out
KITCHEN	+	Like to be able to come in quietly, late, into the sanctuary, through the kitchen
KITCHEN	+	The kitchen is nice,
KITCHEN	BETTER	Do like that we have two kitchen space, though they could be made better
KITCHEN	BIGGER	Kitchen because it is big, favorite place, but needs to be bigger. Most meaningful place
KITCHEN	BIGGER	Kitchen is large enough area that we can function in it
KITCHEN	INDUSTRIAL	Kitchen—more industrial type kitchen would help to do social events.
KITCHEN	LOCATION	Appreciate a kitchen, maybe not where the kitchen is but it's come in handy.
KITCHEN	SETUP	Like the way the kitchen is set up
KITCHEN	WINDOW	Like the pass through window
LFD / RELIGIOUS ED	+	Fahs is nice now.

LFD / RELIGIOUS ED	FAHS	Children's religious education is important. Fahs needs to be made more accommodating for children.
LFD / RELIGIOUS ED	FURNITURE	New furniture in Fahs for the kids is a significant accomplishment—having appropriate furniture for the kids.
LFD / RELIGIOUS ED	MEETING SPACES	Some space for meetings/opportunities for religious education (meeting and office space can be enhanced)
LFD / RELIGIOUS ED	PARENT SOCIALIZATION	Present requirement that parents come to Fahs to pick up their children, causes parents to lose the fellowship time with adults in the Narthex after services.
LFD / RELIGIOUS ED	SEPARATED	LFD for children feels separated after the service. Children's program should be attached to the main building.
LFD / RELIGIOUS ED	SPACE	Can't comment on other buildings, but I'm aware of the need for more space for the kids.
LFD / RELIGIOUS ED	SPACE	Like that the YRUU's have own space
LFD / RELIGIOUS ED	SPACE	Need a place for kids. We might build down and have skylights providing outdoor light into rooms.
LFD / RELIGIOUS ED	TEENS	Want to keep basement area for high school group, not for middle school; preserve it for high schoolers. Maybe move middle schoolers into library area although it's a little too small.
LOCATION	+	Good location for greater Williamsburg area.

LOCATION	+	Like Location
LOCATION	+	Like our location.
LOCATION	+	Location
LOCATION	+	Love where we are (location)
LOCATION	+	Mostly like that the campus is close to my house and could walk to it
LOCATION	+	Site-very good location which is close to Newtown and Route 199, as well as residential areas. When you consider James City County, there are not many "central" locations.
LOCATION	COMMUNITY	Would like to do more with the community and other groups in places other than here.
LOCATION	NURSERY	Like nursery nearby
PARKING	+	Appreciate having the driveway and parking that we have.
PARKING	DRIVE	Like the circular drive
PARKING	GRAVEL	Like the gravel parking lot- less pervious
PARKING	GRAVEL	The gravel parking lot
PARKING	GREEN	Like the fact that our overflow parking lot is not paved because it helps the environment deal with runoff water
PARKING	OK	Parking is OK for now
PARKING	OK	Thinks parking is adequate
PARKING	SPACE	Parking is important and the space on the side has been useful
PARKING	SPACE	Parking lot during services has been full for some time. Sometimes cars drive in – and drive out – reflecting lack of space for interested people.
PARKING	TYPE	Like the gravel parking area that permeable and good for environment run-off. It's a pain to walk on it in heels
GROUNDS	+	Like the grounds,
GROUNDS	BIG	Acreage it feels good and allows dreaming

GROUNDS	OPENNESS	Hopes it blends well with what we now have—openness cleanness
GROUNDS	OPENNESS	Like to see us preserve the open and green space behind and beside the Parker House
GROUNDS	OPENNESS	Open space—we do use that space (behind Parker). I’m an advocate for open space.
GROUNDS	OVERALL	Good point about our land and how it’s beautiful.
GROUNDS	OVERALL	Grounds
GROUNDS	PRESERVE IT	We should seek to preserve our outdoor space – do not overdevelop. The grounds/environment is important too.
VISION	+	Like the size of the present church.
VISION	BUILDING FOR OTHERS	Need to make sure facilities meet the needs of all members, including young AND old and in-between.
VISION	COFFEE HOUSE	Maybe we need a coffee house concept
VISION	GENERATIONS	Shouldn’t focus on one generation. We need dialog among the generations.
VISION	GROWTH	Our space is welcoming and a continuation of the church. It’s good seeing new families and having children’s programs.
VISION	GROWTH	We need to bring in new members but like the current size of our congregation around 250.
VISION	NO CHANGE	Don’t want to expand.
VISION	NO CHANGE	Like the size of our community and don’t want to grow the church or to expand.
COMMUNITY GARDEN	+	Community garden
COMMUNITY GARDEN	+	Community garden at Fahs
COMMUNITY GARDEN	+	Like having the vegetable garden behind Fahs.

COMMUNITY GARDEN	+	My kids like the Fahs garden.
COMMUNITY GARDEN	+	Vegetable Garden community garden
FAHS	+	Come to like the Fahs house. It's fixed up, could be made a lot better still, but serves nicely.
FAHS	+	Fahs has changed and it is nice as it is now
FAHS	CLEANED UP	Marvelous job of cleaning Fahs up.
FAHS	COMFORTABLE	Fahs house comfortable for activities I'm involved in
FAHS	FAHS KITCHEN	Like the Fahs house kitchen
FAHS PARKER	+	Houses (Parker and Fahs) provides comfortable spaces, grass-roots feeling. Like the feel of the houses.
FAHS PARKER	+	Like that we use the two out buildings, even though we have only kept them in shape. We take care of what we have. We grow in our little size as we need to and don't want to get too big.
FAHS PARKER	+	Nice to have other buildings.
FAHS PARKER	COZY	Like the smallness of the houses, as cozy, and more welcoming (than a large building) because it seems small
FAHS PARKER	OVERALL	Parker and Fahs utilitarian. I'm fine with Parker and Fahs. If we do anything with them, perhaps opening up to be more friendly to bigger groups. Only an architect could tell us that.
COMMENT	CAUTION	Shared anecdotal story: another church made expansion without consulting congregation – and ended up with many unused spaces, wasted capital.

COMMENT	CAUTION	Shared anecdotal story: In making comparisons to Baptist church in Hampton – seating capacity for ~500, but congregation about ~200. Large educational facility, but no one using it. Concern expressed about making changes that will not serve the congregation. Will these facilities endure, while enhancing our community?
COMMENT	DOING WORK	This effort of coming together to consider our needs is great, because we need to do things together and not hire someone else to do things for us.
COMMENT	MULIT-GENERATIONAL	the multi-age nature of our congregation is unique and important.
COMMENT	SPACE	It is important to have the space for this community
GENERAL	+	Laidback attitude,
GENERAL	+	Like that it doesn't feel like a parking lot. Part of what we're not using affects us. Need to preserve the fellowship between what we're living in and what we own.
GENERAL	DON'T CHANGE	It's important to keep what we have and a big building would not do that.
GENERAL	FLEXIBILITY/OPENNESS	Been thru a couple of church renovations as Episcopal priest and know how space becomes a significant part of who we are. Like the open space very much. Main thing I like about our space is flexibility and openness
MUSIC	ACOUSTICS	Like the choir being able to practice in the sanctuary because of good acoustics.
MUSIC	LIKE NATURE	Music is like nature- is imperative
MUSIC	SOUND	Inclusion of music in the services – preserve or create space for musicians. Good sound quality in the sanctuary.
MUSIC	SPACE	All the music we have- vocal and instrumental, our members, W&M kids added.
NURSERY	+	Like the nursery area, seems well kept.
NURSERY	+	Nursery is kept up well.

NURSERY	+	Retain child care facility – staffing, amount of space, availability of toys. It is set up well, and those elements (including the size of the room) should be retained in any new design.
NURSERY	TOO MANY USES	Like the nursery being done with intention, would love it to be expressed as the nursery even though adults are using it
PARKER	+	Like the new layout in the Parker house
PARKER	ACCESSIBILITY	Like that we have so many handicapped parking spaces
PARKER	TEENS	Love this Parker space for teenagers, with enhancements
PARKER BASEMENT	+	The space I like is in Parker House in the basement—a hangout spot for high school students. Couches, can imagine a bean bag thrown in the middle.
MISSION	+	Like the chance to intermingle (name tags, etc.) there is a lot of things we do that work.
MISSION	COMMUNITY	We’re not a silo church and improved facilities would enable us to be an anchor for interdenominational groups in the community.
MISSION	WALT	Like that WALT is using our campus
COMMUNITY	+	Trying to be detached. Not attached to any physical space, importance that this community exists
COMMUNITY	ACCESSIBILITY	Appreciate the community the most – so how can our physical space enhance the community? Facilities should enable our sense of community, so we need to be sure to include all (disabilities, physical needs).
MULTI-FUNCTION	INSIDE OUTSIDE	Multipurpose way we use spaces inside and outside
MULTI-FUNCTION	SPACE	Work space—space for art group.
NATURE	+	Greenery
NATURE	KEEP	Whatever is decided, keep the natural habitat as much as possible

VEGETABLE GARDEN	+	The vegetable garden.
VEGETABLE GARDEN	+	Vegetable garden
VISIBILITY	+	Like that we are right on the main road, we see the sign when approaching
VISIBILITY	FROM ROAD	Being visible (public road)
LIBRARY	SIZE	Like the fact we have a library, a little small but meaningful tomes in it.
PROCESS	+	I recall the process that was used the last time we considered expansion, this process is quite similar, it is energizing
STORAGE	SPACE	More storage needed. Having recently been in the attic, has shown me that this is not an easily accessed storage area.
