

Do you know where WUU offices are housed and where our children and youth meet for LFD on Sundays?

Parker (left) houses four staff offices, a conference room, a youth room in basement.

Fahs House (right) houses LFD for children age 4 through fifth grade.

What have people said about our WUU campus in recent Visioning Circles?

- The idea of more outdoor spaces--fire pits, amphitheater.
- Like having multiple buildings on campus
- Safe accessibility for children [is needed]
- Not sure Parker and Fahs need to be preserved "as is." Probably not meeting our current needs with these buildings as they are...
- Parker is non-ADA compliant and we may want to move [the building] to make another exit for traffic
- Want to see simple native green space that requires little maintenance and doesn't have too much impervious surface.

If you have not yet participated in a Visioning Circle, please sign up on Sunday or contact Ellyn at office@wuu.org or 220-6830. There are only 6 opportunities remaining to make your voice heard!
