

HIGHER POWER
LAUNCHING 9/27/2015 2–4pm
INTERFAITH AFFINITY GROUP FOR THEISTS
FACILITATED BY DEBORAH JANE WELLS

My definition of theism is that there is more to life than what we experience through our five outer senses. There is more to everyone and everything than we are seeing, touching, hearing, smelling and tasting in any given moment.

There are many names for this Force, because It is beyond words. I use a variety of labels: God, Source, the Divine, Higher Power, Universe, Life Force, Creative Power and Spirit, to name a few. The reality of God is so large, It transcends the limitations of any name or description I could conceive of.

Those who join the group are eager to explore and share diverse practices for connecting with pure, love-based Source energy to inspire, guide and empower their lives.

Many of you already have a constructive, cocreative relationship with the Divine. For you, the group will be an **opportunity to share your experiences, reinforce your practices and expand your possibilities.**

Others haven't been on speaking terms with God for many years, due to abuse suffered in the name of fear-based organized religion. If, despite that painful past experience, you still find yourself seeking a healthy love-based way to reincorporate a Higher Power into your spiritual practice, for you this group offers the possibility of a major breakthrough. Based on similar groups I've facilitated in the past, this forum will provide **a safe setting to redefine and reclaim Source energy in a way that feels authentic and supportive to you.**

All meetings will take place at the Williamsburg Unitarian Universalists campus located at 3051 Ironbound Road, Williamsburg, VA 23185. The first meeting on September 27 (which is the 4th Sunday of the month) will be held from 2–4pm in the sanctuary of the main church building. Thereafter, our group will meet on the third Sunday of each month from 2–4pm in the Fahs House building.

Please email me at deborah@djwlifecoach.com to confirm your participation. I'll send you a registration confirmation email with more details in preparation for our first meeting. Please "whitelist" my email address so you'll receive my emails in a timely fashion.

Feel free to share this flyer with friends and family. If possible, all interested parties should email me in advance to sign up so we can accurately gauge what size room we'll need and how best to arrange seating.

ABOUT DEBORAH JANE WELLS

As a coach, author, speaker, singer, artist, consultant, radio host, Reiki Master and EFT/tapping practitioner, I share hope, possibilities and empowerment with the world. What's love got to do with minimizing stress and getting unstuck? Everything! My book, [*Choose Your Energy: Change Your Life!*](#) (Hay House/Balboa Press 2013) shares my story and the stories of 10 of my clients along with my signature Discovery Framework.

During my 30 years as an organization transformation consultant, I served as a senior partner in four of the world's largest, most prestigious global professional services firms. In 2005, I took a five-year sabbatical to find healing and peace because non-stop work had taken its toll. My recovery from burnout, including a sustained 80-pound weight loss and freedom from 10 years of debilitating depression, led to finding my purpose guiding others on their journeys.

Through healing and self-exploration, I discovered that loving yourself unconditionally is the key to transforming your personal life, your work and the world. With attention and intention, I learned to live in alignment with love through a wealth of energy-shifting tools and techniques that help me reduce stress, anxiety and overwhelm by releasing limiting beliefs, emotions and habits.

My books, blog, radio show and signature coaching programs help individuals and organizations harness the transformative energy of love to turn unexplored possibilities into fulfilling realities and step into their greatness. For fun, I love singing, reading, sewing, knitting and movies. I live in Williamsburg, Virginia with my husband, Wilson, and the three coaching cats who manage my life—SiddhaLee, Mortimer and Maisy Jane.
