

## **Covenant Group Service Project**

*Updated February 28, 2013*

### Why do Covenant Groups perform service projects?

Service projects help keep the Covenant Groups connected to larger church community, and provide an opportunity to put our UU values into action. In addition, we find that working together toward a common purpose strengthens connections among group members.

### What have Covenant Groups done in prior years?

- ◆ create a labyrinth for congregants to use during an evening ritual and/or a Sunday morning worship service.
- ◆ create a Sunday Morning Worship Service (with the help of the minister).
- ◆ volunteer with Buddy Art Program

### What are some other ways to serve?

- ◆ participate in a Grounds Day at WUU to help beautify the landscaping around the church – next one scheduled for March 9
- ◆ help with the Easter Pancake Breakfast March 31 Fundraiser for Service Trip
- ◆ make End of Year Final Exam care packages W&M students
- ◆ June congregation wide picnic
- ◆ plan an all ages activity for one of the 3<sup>rd</sup> Friday Potlucks

### What are some outside organizations that are seeking volunteers for a one-time project?

-Community Action Agency: <http://www.actionagency.org/>

-Crossroads Community Youth Home:
