

## Four Visioning Circles Completed

What an exciting time to develop a community of new friends! The first four groups were quite diverse from teens to persons in their eighties, from charter members to members for less than a year, and some were simply friends. Already we have learned much about what we cherish about our campus and facility. Most of the time was spent thinking about our what a new campus might look like inside and out and how all of that relates to our values and mission.

These circles are for all of us. Please sign up on Sunday or contact the office at 757-220-6830 or email [office@wuu.org](mailto:office@wuu.org)
